

EXPLORING A CAREER IN SCIENTIFIC PROJECT MANAGEMENT

Monday, March 8, 2010

11:30 AM to 1:00 PM

COOMBS THEATRE, G34C

University of Calgary

Ever wonder what scientific project managers or coordinators do? What kind of education and experience is necessary for the job? Our panel of project managers will share information about their own career paths and address your questions.

Connects Career Explorer will feature informal presentations with lots of time for questions and networking. Appropriate for any interested graduate level student.

All are welcome. **Must RSVP by March 1, 2010** to connects.health@albertainnovates.ca

Presenters:

Jeff LaFrenz BSc., Msc. Eng. President, Startide Solutions Inc. Network Manager, NSERC SurfNet, University of Calgary.

Stephen Weiss PhD. Chief Operating Officer, Alberta Bone and Joint Health Institute, Foothills Medical Centre.

Derrick E. Rancourt, Ph.D. Moderator.
