

MDCH 1st Author Publication Award Application

Registered students within the MDCH graduate program are eligible to receive one (1) 1st Author Publication Award per year. Only peer-reviewed research articles are eligible for this award. Students must be registered in the term in which the publication is accepted. .

The award amount is \$250 for 1st author publications.

Students must provide the following documentation with their application. :

1. Copy of manuscript submitted to the publisher.
2. Notification of acceptance or cover page of published article.

All documents should be scanned and emailed to chsgrad@ucalgary.ca.

Failure to provide full documentation may result in a cancellation of the amount of funding received. Please note, submission of an application does not guarantee you an award.

Students must submit the attached application by **the second Monday of each month.**
